Hana Hnátová, born Lustigová

Terezín Ghetto, concentration camps Auschwitz-Birkenau, Freiberg and Mauthausen

“When things were most dreadful, my Dad's faith helped me. I believed the good was going to win the war. Even though my Dad ended up in the gas chamber, I never ceased to believe in his optimism. I have lived to these days thanks to my family and thanks to the company of people I share the war memories with.

I took over the baton of telling the stories after my younger brother, Arnošt, passed away. The listeners are attentive and ask a lot questions. I wish the young generation never to go through the cruelty we experienced. It is up to them now, they have to do their best to prevent the atrocities from happening again.”

Jana Dubová

*Terezín Ghetto, concentration camps in Auschwitz-Birkenau and Merzdorf,
where experience the hoped-for liberation*

"There are not many of us who have lived up to their very old age, only a few of us have remained. Being still here, we find it very important to tell our stories to young generation. We tell them about the cruelties that people suffered. The only reason for their suffering was that they were born into Jewish families.

The world today is not ideal either; there is too little tolerance among the people. But still, the life is a wonderful gift! One cannot take that for granted. Protect nature and all that enriches us on our beautiful planet. Do not allow anyone to threaten the happiness of the new young generation through a hatred..."

Eva Pokorná, born Singerová

concentration camps Auschwitz-Birkenau and Poříčí u Trutnova

“I only survived thanks to a mere coincidence. Although I lost my whole family, I have never ceased to be optimistic. I have a happy family, a daughter, 3 grandchildren and 6 great-grandchildren.

Around me, there only are good people and I believe in positive future for all of us.”

Toman Brod

***Terezín Ghetto, concentration camps in Auschwitz-Birkenau and Gross Rosen
His mother and brother died during the German occupation. His father had died earlier.***

"We cannot prevent mass crimes, murders or even genocides. When a democratic state ceases to exist, human rights and law cease to be effective. If all current moral values deteriorate, then the assailant who will take over the reign, could pronounce all the people opposing any given ethnic group, religious group or governing regime an arch-enemy that must be destroyed by all means and methods. And thus the immanent evil that is present, to a certain degree, in every person, would cumulate and unleash a disaster. In case the Evil would begin to take over, we cannot stop it from happening, but we may still do a little bit to mitigate it, to stand for a good example to others. We shall never, under any circumstances, accept the practice of collective guilt and collective punishment. We shall only distinguish between the decent and indecent people around us, the people who are just and unjust, the guilty and innocent, good and bad. That way we may, doing our best, contribute to the rise of civilized, democratic and humanitarian environment."

Jaroslav Poskočil

*saved from being transported to concentration camp or ghetto thanks to his father,
who rejected to divorce his mother*

"I'm happy to be alive when I realize how hard life was...when was that...either life or death. And the life won. Judaism has been vitally important to me all my life. It has always accompanied me in my life. I have a happy family, 2 daughters, 7 grandchildren and 4 great-grandchildren. I wish you to be happy. Life is the greatest gift."

Dora Pešková, born Steinová

*Terezín Ghetto, concentration camps Auschwitz-Birkenau,
Hamburg and Belsen-Belsen*

“I often gave lectures to students, I wanted to give them an example. I wanted to teach them a lesson, to remember my words and not to get deceived. It is up to them to prevent the things from happening. They shall not fall for the populist promises. Hitler came to power in times of poverty. He gave people work. I am very concerned for the bad times to repeat, I do not like the current situation and the way things are developing.”

Jiří Fišer

Terezín Ghetto and Auschwitz-Birkenau

“The Democratic forces must never allow our children to ever experience the horrors, the fear and the uncertainty of pseudo-medical experiments on twins, like me and my brother experienced in Auschwitz concentration camp. I wish the horrors of Nazism and concentration camps never repeated again. I would like to appeal to all of you not to remain silent and to reveal all the manifestations of intolerance, anti-Semitism, racism and deprivation of human rights not only in our country, but all over the world.”

Jan Spira

*Saved from the transport thanks to his German mother,
who did not divorce his Jewish father*

“Do not do unto others what you do not want others do unto you.”

Pavel Jelínek

Escaped from Liberec in 1938. During war him, his mother and his brother were hiding by their relatives, in various places, they were summoned to the transport on April 27, 1945, but had not left.

“The whole world is a very narrow bridge, and the essence is not to be afraid.”

Jiří Munk

*Terezín Ghetto
most of his relatives, including his father, perished*

“I hope that humanity has learned its lesson and that our descendants would never experience what we went through, at least in Europe. I wish to all people of good will that they do not have to experience what we once went through, and that they only learn about Holocaust from witnesses and literature.”

Jana Urbanová, born Klačerová

Terezín Ghetto

“Actually, I did not have any childhood,
in war, there are no children or adults,
the war only has the suffering.”

(a poem “Actually”, of North Bohemian poet and painter, Horymír Zelenka)

Forewords of the Chairman of the Board of Directors

The Foundation for Holocaust Victims (the FHV) was founded in 2000. Over the time, it has become an irreplaceable organization in the funding of care for the victims of Nazi racial persecution and the restoration of Jewish monuments. One can get an idea of how extensive the FHV activities are when reading our Annual Report. The majority of non-profit organizations typically target one area only. Our foundation, however, supports social, cultural, educational, renovation and other projects.

The focus of work of the Foundation for Holocaust Victims is not just the past. We also strive to contribute the combat against xenophobia and to promote the education leading to tolerance. Unfortunately, this aspect of the FHV's activities is becoming increasingly important both in our country as well as in other countries in Europe.

Our Annual Report features dozens of projects supported by the FHV. This would not be possible without the sponsors and donors whose names we proudly present as part of our Report. Nonetheless, the Czech Republic plays a specific role in the financing of the FHV and thus the assistance we provide. The foundation itself was established on the basis of the awareness of the government that the state was managing the property of the murdered Jewish citizens, of which many were businessmen – the founders of the Czechoslovak industry. The funds provided by the government saved at least few of the monuments that would have ceased to exist without this help. The allocation of the funds was carried out on the basis of transparent selection procedures with the participation of experts. We are convinced that funding all the areas where FHV operates with a use of FHV's own means is not only the most qualified way, but also the most economical solution.

We are very thankful to all our donors and politicians who contributed to the foundation and funding of FHV. We believe that the FHV will be able to continue in its activities in the years to come.

Michal Klíma

Mission Statement and Activities

*We mitigate the injustices
of the past and support the future.*

The FHV was established on July 31, 2000 on the basis of the recommendations of the “Joint Working Committee Focusing on Mitigating Some Property Injustices to Holocaust Victims”. On September 15, 2000, based on the governmental proposal, the Chamber of Deputies of the Czech Parliament made a decision to transfer funds, amounting CZK300 million, over to the Foundation for Holocaust Victims.

In the years 2001–2005 we administrated the Compensation program, in which we distributed CZK100 million among those, whose property in today’s Czech Republic had been confiscated during WWII on the basis of racial laws and who were unable to retrieve it or receive compensation through the then applicable restitution laws or international agreements. The program has been closed for several years now and our Foundation is currently not dealing with claims of this kind in any way.

Since 2002, we have financially supported the projects in the following programs:
Care – social, medical and psychological care for Shoah survivors

Remembrance – educational and Holocaust remembrance projects,

Renovation – renovation and maintenance of Jewish monuments in Bohemia and Moravia

Future – education in Judaism and the development of Jewish communities and since 2013 also in the sub-program

Our Future projects for Jewish families with children.

We support the projects by organizing our own activities, especially by organizing expert seminars for social workers, carers and psychologists of Jewish organizations, seminars for Jewish teachers, lecturers and community workers. We are also focusing on community development, preparing the café sessions and celebrating Hanukkah in public spaces. We present the individual projects in Chapter 9.

In December 2014, the FHV signed an agreement with the Czech Ministry of Culture on a five-year financing period in which a yearly endowment benefit, amounting CZK20 million, will be transferred to FHV’s account.

We inform about our activities on regular basis through our website www.fondholocaust.cz and the FHV also runs its own Facebook profile.

We are a member of the Association of Foundations of Donors Forum (www.donors-forum.cz/asociace-nadacnich-fondu) and of the International Auschwitz Committee (www.auschwitz.info).

Grant Programs

Care, Remembrance, Renovation, Future and Our Future

The Foundation for Holocaust Victims supports projects based on a public tender. The call for proposals is announced once a year, usually in July, and the deadline for projects is September. The projects are realised during the following year.

FHV supports projects prepared especially by organisations under the umbrella of the Federation of Jewish Communities, NGOs, public beneficial organisations, institutions established by the church, public service institutions, and allowance organisations. All organisations must be registered in the Czech Republic. Physical persons are not entitled to ask for benefits.

We only support projects that are realised within the territory of the Czech Republic.

The endowment benefits are granted for a period of 11 months, and in case of Care program the period is one calendar year.

We favour projects having various financing sources.

In Care and Renovation Programs, there is no limit for a maximum requested amount. The maximum amount of the endowment benefit within the Future and Our Future programs is CZK100,000.

All applications are processed through Grants – an Electronic Grant Database at www.nfoh-granty.cz.

The applications are evaluated by the respective grant committees nominated by the FHV Board of Directors. The Board of Directors grants endowment benefits on the basis of their recommendation.

There is no legal entitlement to the endowment benefit. The results of grant call are published on the FHV website and all applicants are informed in writing. We

sign contracts with all of our successful applicants. Afterwards we follow and review the use of the monetary means during the implementation of the project. In case of any violation of contractual terms and conditions, we demand the return of the granted money. The supported organisations present the FHV with progress and final reports on the projects, as well as reports on the budget. All projects are subject to an audit. We actively participate in supported projects and in case the beneficiary asks for any assistance, we provide them with our support.

Projects in the Reminder, Renovation and Future (including the Our Future sub-program) are funded by the Ministry of Culture subsidies, the Care program is financed from our own financial resources and the donations we receive.

On December 27, 2017, the FHV Board of Directors selected 125 projects that will receive a support in 2018 in a total amount of CZK21,5 million.

In 2017, we supported in total 117 projects, majority of which were co-financed by the Ministry of Culture of the Czech Republic.

Care Program

For the sixteenth year in a row, we have been supporting projects that provide professional social, health and psychological care for Holocaust survivors and their families. Through collaboration with professionals, we strive to improve the quality of their lives and provide the best care at their old age. We shall not forget about the survivor's second generation. We financially support home care, nursing services, psychological aid, residential care, day care centres run by Jewish communities, social workers, social advisory services, personal assistants, medical care, occupational therapy, physiotherapy, rehabilitation, phone contact services and many other activation programs.

We actively cooperate with the Federation of Jewish Communities, which coordinates the financing of care from the Claims Conference in the Czech Republic. In total, we support the care for about 350 clients.

Renovation Program

We support the restoration and maintenance of Jewish monuments throughout the Czech Republic. Our goal is to restore the monument to its original state when the monument was built or, if this is not feasible, we then restore the monument to the state that would capture the maximum of the architectonic, artistic and artisanal elements.

We finance the repairs of synagogues, rabbinic houses and Jewish cemeteries, lifting and repairs of knocked-down tombstones, restoration of valuable tombstones and reconstruction of fencing walls. Our financial means do not enable us to restore all tombstones, so we also support cemetery documentation in order to have a digital image of its look saved for future generations. All projects are lead by professionals.

Projects of Our Own

We support the development of Jewish community in the Czech Republic, not only financially but also materially, especially by organizing our own educational seminars and cultural community programs.

WE EDUCATE

Seminars for workers in social services

Care for survivors and their families is our top priority. We have been organizing education seminars and meetings of social workers of Jewish communities in the Czech Republic. We prepare seminars with accreditation of the Ministry of Labor and Social Affairs. Since 2014 we have also been running seminars with experts from abroad. We have prepared two seminars this year.

The first seminar was an all-day seminar. The lecturer, Maggie Gad from Israel, was lecturing on Creative Care of Holocaust Survivors and the Second Generation. Maggie Gad is a director of the JDC Eshel Community Program and specializes in services to Israeli survivors of Shoah. She introduced the Witness Theater and Café Europa, programs that focus on their specific social, psychological and emotional needs. She also dealt with growing concerns about the impact of the Shoah trauma on the second generation. The seminar was attended by 34 participants. We would like to thank to the American Jewish Joint Distribution Committee, the Claims Conference, the Federation of Jewish Communities in the Czech Republic, and the Public Benefit Society for Holocaust Support, as well as the Jewish Museum in Prague for providing us with the venue.

The second accredited seminar was prepared in association with the Social Department of the Jewish Community in Prague. The topic was "An Introduction to the Specifics of Palliative Care for Jewish Clients". The lecturers were psychotherapist PhDr. Zuzana Peterová, Rabbi David Peter and Chevra Kadisha Chairman, Chaim Kočí. The seminar was attended by 26 participants.

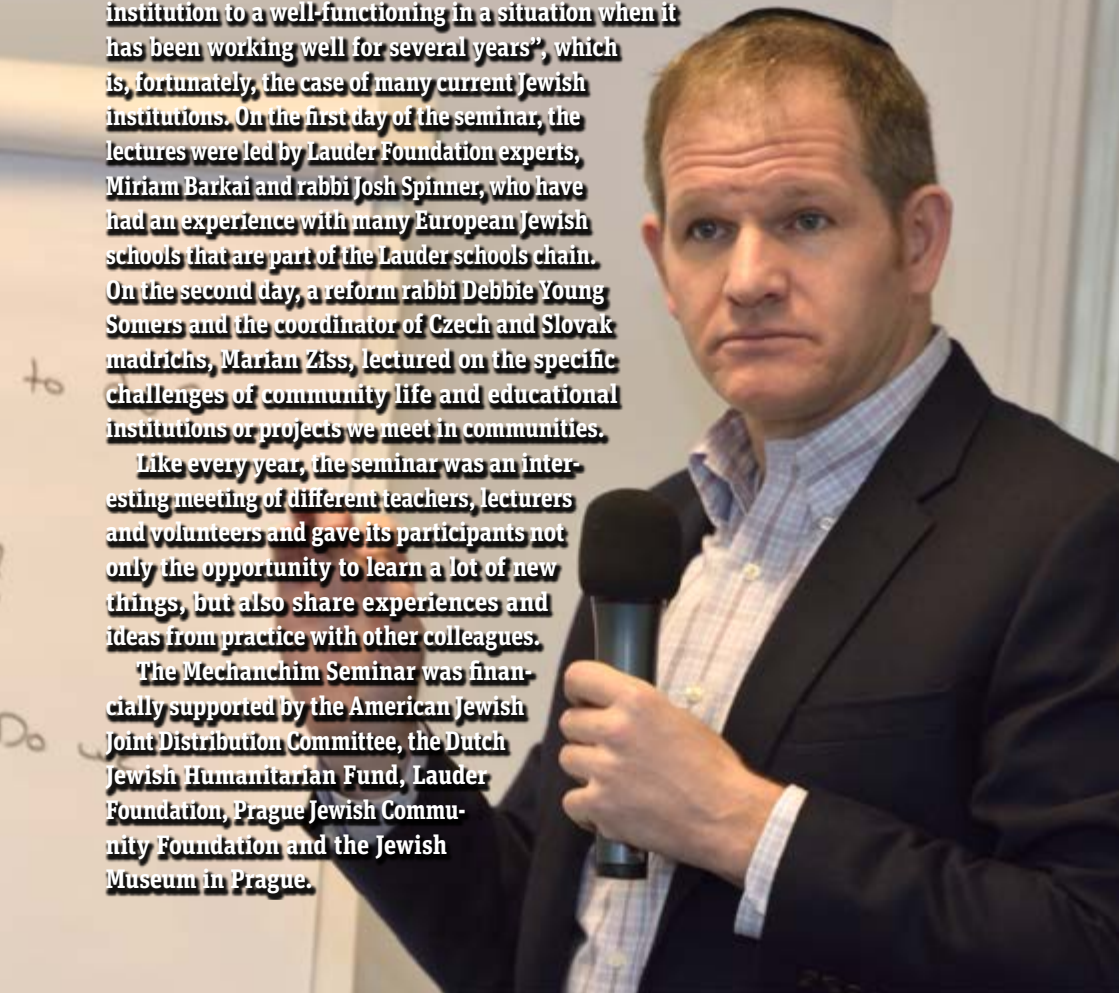

Mechanchim – Seminar for teachers and lecturers of Jewish educational institutions

The Mechanchim Seminar has its permanent place among our educational projects. In 2017, we organized this meeting of teachers and community staff working in education for the fifth time. We dealt with the question of “How to shift the work of an educational institution to a well-functioning in a situation when it has been working well for several years”, which is, fortunately, the case of many current Jewish institutions. On the first day of the seminar, the lectures were led by Lauder Foundation experts, Miriam Barkai and rabbi Josh Spinner, who have had an experience with many European Jewish schools that are part of the Lauder schools chain. On the second day, a reform rabbi Debbie Young Somers and the coordinator of Czech and Slovak madrichs, Marian Ziss, lectured on the specific challenges of community life and educational institutions or projects we meet in communities.

Like every year, the seminar was an interesting meeting of different teachers, lecturers and volunteers and gave its participants not only the opportunity to learn a lot of new things, but also share experiences and ideas from practice with other colleagues.

The Mechanchim Seminar was financially supported by the American Jewish Joint Distribution Committee, the Dutch Jewish Humanitarian Fund, Lauder Foundation, Prague Jewish Community Foundation and the Jewish Museum in Prague.

WE MEET

I am Jewish and I Prosper – Café Sessions

This year we continued organising community café sessions “I am Jewish and I prosper.” The purpose of the cafés is to present interesting personalities with Jewish roots to general public. Our discussions aim at diverse forms of Judaism in the lives of nowadays individuals. In 2017, we organized four cafés at Café One. All cafés were moderated by Irena Kalhousová. The following pairs took part in the panel discussions: actors Táňa Fischerová and Jan Kraus, physicians Jan Pirk and Lukáš Pollert, political scientists Emil Aslan and Michael Romancov and, finally, politicians Daniel Herman and Michael Žantovský. The Cafés are very popular and the number of visitors ranges from 100 to 150 people.

The Cafés are recorded and all of the uploaded videos can be viewed on our YouTube channel. The project was supported by the American Jewish Joint Distribution Committee and the Jewish Community Foundation in Prague.

In the foreground, there are several lit candles in glass holders. The background shows a crowd of people, some looking towards the speaker, and large windows of a building at night.

Hanukkah Benefit Concert

After many years, we changed the format of the benefit concert and decided to associate it with the celebration of the Hanukkah. Judging by the great interest, we consider our deed as a good decision and direction for future. We welcomed 250 participants, including children, for which we prepared a Madrigal holiday program led by Ben Hesse. The Hanukkah Benefit took place on December 13, 2017 at Café One. The benefit concert group was a band called "Oranžáda". The evening was moderated by Ester Janečková, who we are very thankful for her long-term cooperation. The proceeds of a benefit amounting CZK41,056 will be used to support Hagibor Old Age Home in 2018.

WE REMEMBER

A photograph showing a group of people, mostly men in suits, seated in rows in a large, ornate hall with high ceilings and large windows. They appear to be attending a formal event. The text is overlaid on the lower half of the image.

On January 27, together with the Federation of Jewish Communities in the Czech Republic, we held a traditional memorial meeting on the occasion of the Holocaust Remembrance Day and the Prevention of Crimes Against Humanity at the Senate of the Czech Parliament. The meeting was held under the auspices of the President of the Senate, Milan Štěch. We welcomed a large Bavarian delegation lead by the President of the Bavarian Landtag Barbara Stamm. Speeches were delivered by Milan Štěch, the President of the Senate, Jan Bartošek, Vice-Chairman of the Chamber of Deputies, Colonel Pavel Vranský, Musician Radoslav Banga, Barbara Stamm, a Chairman of the Bavarian Provincial Assembly, Petr Papoušek, a Chairman of the Federation of Jewish Communities in the Czech Republic and Michal Klíma, a Chairman of the Board of Directors of the FHV. The meeting was attended by dozens of Shoah witnesses, representatives of the state administration, ambassadors and students of Lauder schools. Our special thanks goes to the Senate of the Czech Republic and the Ministry of Culture for their cooperation and support of Jewish Community in Prague.

Grant of the Ministry of Culture of the Czech Republic

On December 18, 2014, the FHV signed an agreement with The Ministry of Culture of the Czech Republic on a long term partnership on a project called "Provision of Endowment Benefits in FHV Programs – Renovation, Remembrance and Future." We have been successfully implementing the project for the third year.

Financial Report

The FHV financial report was assessed for a period from January 1 to December 31, 2017.

In 2000, the FHV received an endowment benefit amounting CZK300 million from the former State Property Fund, today's Ministry of Finance of the Czech Republic. These financial means are distributed in harmony with the stated grant rules on yearly basis. A large proportion of these financial means has been distributed as part of the endowment benefits, the remaining CZK47 million is invested in shares. Part of the funds is administered by ČSOB Asset Management a.s. The second part is managed by Conseq Investment Management, a. s.

On January 29 in 2014, the contract on the transfer and use of financial means between the FHV and the Ministry of Finance of the Czech Republic was terminated. All of the unused funds remain in the administration of the FHV; the funds will further be administered as FHV's own funds.

In 2017, in the 16th call for proposals, a total granted amount was CZK21,835,000. Out of this sum CZK17,320,000 was financed by the subsidy of the Ministry of Culture and CZK4,346,000 was financed from the FHV's own means. The remaining CZK169,000 was paid from the donation of the Public Benefit Society to support people affected by the Holocaust and the Public Collection.

The FHV administration costs in 2017 amounted to CZK3,798,000. Out of this sum CZK1,027,000 was paid by the FHV from its own funds, CZK 2,500,000 from the subsidy of the Ministry of Culture and CZK271,000 was paid from other external sources.

Přesto je však součástí našich povinností souvisejících s ověřením účetní závěrky seznámit se s ostatními informacemi a posoudit, zda ostatní informace nejsou ve významném (materiálním) nesouladu s účetní závěrkou či s našimi znalostmi o účetní jednotce získanými během ověřování účetní závěrky nebo zda se jinak tyto informace nejeví jako významně (materiálně) nesprávné. Také posuzujeme, zda ostatní informace byly ve všech významných (materiálních) ohledech vypracovány v souladu s příslušnými právními předpisy. Tímto posouzením se rozumí, zda ostatní informace splňují požadavky právních předpisů na formální náležitosti a postup vypracování ostatních informací v kontextu významnosti (materiality), tedy zda případné nedodržení uvedených požadavků by bylo způsobilo ovlivnit úsudek činěný na základě ostatních informací.

Na základě provedených postupů, do míry, již dokážeme posoudit, uvádíme, že

- ostatní informace, které popisují skutečnosti, jež jsou též předmětem zobrazení v účetní závěrce, jsou ve všech významných (materiálních) ohledech v souladu s účetní závěrkou a

- ostatní informace byly vypracovány v souladu s právními předpisy.

Dále jsme povinni uvést, zda na základě poznatků a povědomí o Organizaci, k nimž jsme dospěli při provádění auditu, ostatní informace neobsahují významné (materiální) věcné nesprávnosti. V rámci uvedených postupů jsme v obdržení ostatních informací žádné významné (materiální) věcné nesprávnosti nezjistili.

Odpovědnost správní rady a dozorčí rady Organizace za účetní závěrku

Správní rada Organizace odpovídá za sestavení účetní závěrky podávající věrný a poctivý obraz v souladu s českými účetními předpisy, a za takový vnitřní kontrolní systém, který považuje za nezbytný pro sestavení účetní závěrky tak, aby neobsahovala významné (materiální) nesprávnosti způsobené podvodem nebo chybou.

Při sestavování účetní závěrky je správní rada Organizace povinen posoudit, zda je Organizace schopna nepřetržitě trvat, a pokud je to relevantní, popsat v příloze účetní závěrky záležitosti týkající se jejího nepřetržitého trvání a použití předpokladu nepřetržitého trvání při sestavení účetní závěrky, s výjimkou případů, kdy správní rada plánuje zrušení Organizace nebo ukončení její činnosti, respektive kdy nemá jinou reálnou možnost než tak učinit.

Za dohled nad procesem účetního výkaznictví v Organizaci odpovídá dozorčí rada.

Odpovědnost auditora za audit účetní závěrky

Naším cílem je získat přiměřenou jistotu, že účetní závěrka jako celek neobsahuje významnou (materiální) nesprávnost způsobenou podvodem nebo chybou a vydat zprávu auditora obsahující náš výrok. Přiměřená míra jistoty je velká míra jistoty, nicméně není zárukou, že audit provedený v souladu s výše uvedenými předpisy ve všech případech v účetní závěrce odhalí případnou existující významnou (materiální) nesprávnost. Nesprávnosti mohou vzniknout v důsledku podvodů nebo chyb a považují se za významné (materiální), pokud lze reálně předpokládat, že by jednotlivé nebo v souhrnu mohly ovlivnit ekonomická rozhodnutí, která uživatelé účetní závěrky na jejím základě přijmou.

Při provádění auditu v souladu s výše uvedenými předpisy je naší povinností uplatňovat během celého auditu odborný úsudek a zachovávat profesní skepticismus. Dále je naší povinností:

- Identifikovat a vyhodnotit rizika významné (materiální) nesprávnosti účetní závěrky způsobené podvodem nebo chybou, navrhnout a provést auditorské postupy reagující na tato rizika a získat dostatečné a vhodné důkazní informace, abychom na jejich základě mohli vyjádřit výrok. Riziko, že neodhalíme významnou (materiální) nesprávnost, k níž došlo v důsledku podvodu, je větší než riziko neodhalení významné (materiální) nesprávnosti způsobené chybou, protože součástí podvodu mohou být tajné dohody (koluze), falšování, úmyslná opomenutí, nepravdivá prohlášení nebo obcházení vnitřních kontrol správní radou.
- Seznámit se s vnitřním kontrolním systémem Organizace relevantním pro audit v takovém rozsahu, abychom mohli navrhnout auditorské postupy vhodné s ohledem na dané okolnosti, nikoli abychom mohli vyjádřit názor na účinnost jejího vnitřního kontrolního systému.
- Posoudit vhodnost použitých účetních pravidel, přiměřenost provedených účetních odhadů a informace, které v této souvislosti Správní rada Organizace uvedl v příloze účetní závěrky.
- Posoudit vhodnost použití předpokladu nepřetržitého trvání při sestavení účetní závěrky správní radou a to, zda s ohledem na shromážděné důkazní informace existuje významná (materiální) nejistota vyplývající z událostí nebo podmínek, které mohou významně

zpochybnit schopnost Organizace nepřetržitě trvat. Jestliže dojdeme k závěru, že taková významná (materiální) nejistota existuje, je naší povinností upozornit v naší zprávě na informace uvedené v této souvislosti v příloze účetní závěrky, a pokud tyto informace nejsou dostatečné, vyjádřit modifikovaný výrok. Naše závěry týkající se schopnosti Organizace nepřetržitě trvat vycházejí z důkazních informací, které jsme získali do data naší zprávy. Nicméně budoucí události nebo podmínky mohou vést k tomu, že Organizace ztratí schopnost nepřetržitě trvat.

- Vyhodnotit celkovou prezentaci, členění a obsah účetní závěrky, včetně přílohy, a dále to, zda účetní závěrka zobrazuje podkladové transakce a události způsobem, který vede k věrnému zobrazení.

Naší povinností je informovat správní radu a dozorčí radu mimo jiné o plánovaném rozsahu a načasování auditu a o významných zjištěních, která jsme v jeho průběhu učinili, včetně zjištěných významných nedostatků ve vnitřním kontrolním systému.
